**RE: *Eddie J. Lloyd & Tia T. Glenn v. City of Detroit, et al***  
**Case No: 04-70922**

Dear Clerk:

Sadly, it is the duty of Plaintiffs' counsel to inform the court of the untimely passing of our client, Mr. Eddie Joe Lloyd. Mr. Lloyd experienced shortness of breath and chest discomfort on Tuesday. He was rushed to Sinai-Grace Hospital where he was treated, but succumbed to death.

In accordance with the court rules, counsel will timely request the appropriate amendment of the pleadings to reflect this change of circumstances. Further, it is counsels' belief that this loss will not effect the claims of the estate, or that of the Co-Plaintiff, Ms. Glenn.

Very truly yours,

**ROBINSON & ASSOCIATES, P.C.**
